My dear Raja Sahib,

I am sending you a typed copy of an article on Mysore for such use as you may like to make of it. There are a good many passages which I ~~quite~~ like and it is besides much too long. Of course, what you don't like may be omitted. Only the rest you may make use of, if you are still inclined to write something on Mysore topics.

With kindest regards,

Yours Ever,

Raja Sir Daljit Singh, K.B.E., C.S.I.

Jallandur.
